**is hosting a Family Party/ Benefit
supporting Honor Flights
in Honor of our WWII Veterans**

The mission of Central Prairie Honor Flights is to take every Kansas WWII Veteran to the WWII Memorial in Washington D.C. We treat them to 11 memorials, 2 Smithsonians, the flight, their food, and hotel stays we cover. Honor Flights to date has flown 834 WWII Veterans and have 550 on a waiting list. These Brave men and women we are losing at a rate of 15-20 a day in Kansas and a thousand a day nation-wide.

That is why this cause is so Urgent !
They are the reason we are speaking English
and not German.....or Japanese.
