GRANT WRITING PLUS

A one-day workshop for non-profit organizations, schools, and government.
Hosted by Central Prairie RC&D Council,
(Resource Conservation & Development),

Monday, February 1st, 2010
9:00 a.m. – 4:00 p.m.

Barton Community College
Great Bend, KS

Registration Fee: $75 per person includes hands-on workbook

This workshop is an overview of the grant writing process. Learn how to find sources of funding for your projects, grant writing tips and procedures, and how to develop your project into a successful grant application.

The workshop will be presented by Shannon Martin of Professional Grant Services. As an experienced grant writer and fundraiser for over 15 years, Shannon has raised millions of dollars for organizations, cities and schools across Kansas.

"Shannon Martin presented her "Basic Grant Writing Workshop" for Fort Scott Community College the Paola, Kansas campus, and it was a tremendous success. The presenter was an expert in her field, and she used her enthusiasm and practical knowledge to "wow" the audience. Those attending left with the knowledge they were seeking, and a lot of hints and suggestions to enable them to write a winning grant."
- Carol Everhart, Associate Dean, FSCC – Paola Campus.
